“ *Joanne and family,*

It saddened us to learn of Jim's passing, he was always a delight to chat with, loved his smile and all the good stories he would tell. He will definitely be missed by many at Palma Sola Trace. You will be in our thoughts and prayers during this difficult time and in the days to come.

“ *Joanne and family,*

We knew Jim casually and not well but lived just up the street from you in PST. We are a USMC family too and could not help but notice his car plates which proudly declared Semper Fidelis.

Jim always had a hello whether sitting out front, from behind his tools in the garage, or out on his bike. When we realized there was a delay in his return FL a year ago we welcomed Jim back shortly after his return. He shared he'd had surgery. He looked great and was his usual good self. We looked forward to seeing him and you this winter but learned of his passing from a neighbor just today. He impressed me as a good man. We will miss him.

You have our deepest sympathy for your loss.

“ *I'm so sorry to hear about your loss. I played soccer with Pat & for Coach Cousins for many years of my younger life. Jim was a wonderful Coach, Mentor, Leader & Teacher. I am now coaching my Daughter's soccer team and I think about Coach almost every practice & game. I'd like to think that Coach has helped me out with my athletes. My thoughts and prayers goes out to the whole family. God Bless.*

“ I worked with Jim for several years at the Division of Special Education. Jim was kind, playful, and generous. He is one of those whom I have thought of often since I left there in 1989. My deepest sympathies to Joanne and family. Jim was a very, very good man.

“ *Joanne and Family,*

We were so sorry to hear of Jim's passing. I (George) was a colleague of his for many years at the Ohio Department of Education and Pat knew him well in her role as Director of Special Education in Marysville School District. When he walked in a room, you knew what a joy it was to have him around. He was one of the "good guys" any where he went. He was devoted to his job and exceptional children everywhere.
