“ Claudette and family,

I was so sorry to hear of Jimmy's passing. Some of my favorite memories of working for the City are of Jimmy. I remember him coming into the office and we'd be conversing for several minutes when we would realize he hadn't turned his aids up and we would have to motion to him to do so. I also remember him and Roger "stealing" each other's pumpkin treats I had brought in for them. Please know that you (all) are in my thoughts.

Claudette and family: Very sorry to hear of Jimmy's passing. Jimmy holds a special place in all our hearts here at the City of Dublin. Jimmy was one of those guys at Service who helped set a high standard and commitment to public service that lives on today in many of us. Jimmy was always there when we needed him. He was always there to coach and mentor the younger folks (like me - then). He always look at the bright side of things and focused on getting things done for our residents. I personally learned a lot from Jimmy in work and in character. I am forever grateful to have known him.

God Bless,
