“ *I am so thankful to Bro. Hood. He was a guiding influence in my life from the time that I was 12 even up to the time of his home going. I will be forever thankful to him, Karen, Oscar, and Brandy for taking a ragged, loud, obnoxious, and overbearing teenager and trying to point me in the right direction. Everything good that I have ever done can be laid at Jesus' feet because of what He did thru the lives of the Entire Hood family. I rejoice that he is reunited with the love of his life and that he has realized the faith that directed his life so many years.*

*Thank you Hood family

“ *Brother Hood was a preacher, teacher, mentor, friend, inspiration and so much more that even a writer as myself can not put in words and define. He guided and helped me through a rough early life and visited me in Pickaway corrections back in 2000 and happy to say been out never returned or got in anymore trouble
I came to brother Hood when my dad was sick and not expected to recover and he prayed for my dad with such vigor and faith my dad recovered and lived five more years praise God. He let me stay in his mission when I had no where to go go. Not enough time or words to say thanks and what I feel about you brother Hood. I miss you and cherish you my friend sincerely Ronald Mattox)(Ronnie)*

“ *Oscar and Brandy,
Your dad is a true soldier of the cross who is now out of the battle and home with his Saviour. He loved you guys dearly. He was a blessing and inspiration to many. He was a personal friend who was a great encouragement and a great example. He will truly be missed. May the Lord give you comfort at this time and know that you are being prayed for.*

“ I remember Bro. Jimmy Hood from when I was at Charity, and would hear of him from time to time from friends, always that he was still in the fight, still keeping on. He was a good soldier who has finished his course. Blessings and comfort to his family and friends who will miss him, until we meet again in heaven.
