“ I remember the cool weather around Thanksgiving and Christmastime, and how warm it felt to step inside the door to the comfy Luzader home on Redwood. We were always greeted with hugs, amazing food, and spending time with "Pawie" in the living room watching whichever football game or race was on that day. There was never a moment of quietude but I wouldn't have had it any other way. Pawie loved his grandchildren more than anything and worked hard his entire life to be able to care for and support his family. It wouldn't have sufficed to retire at 65 when most do... He stayed in his profession for another two decades! We are so proud of the strength he showed us all during his last few months, even to me, who had to show my love and support from the west coast. The Luzader household will not be the same without Pawie and I will miss him dearly. Keep an eye on Sammy up there!

“ The Man, The Myth, The Legend. You have always had a special place in my heart and nothing will ever change that. You helped to create a beautiful and caring family, your legacy will live on each day through their kind acts. Know that you will NEVER be forgotten, only missed. I love you and everything thing that is you. Thank you for being my Pawie.
