“ *I never had the pleasure to meet Jim's family but felt I knew each of you personally bc he was so proud of his wife boys and grandkids. Jim was a tremendous boss and co worker!! I experienced a very sudden and tragic loss of my father 2 years ago, Jim was such a dear friend to allow me to share my heartache with him, always compassionate and caring. I will cherish our friendship and the years of working with a great man for all my days. My heart aches for our Honda family and most certainly, your family. Much love to all of you. I am so deeply sorry. Love, Aimee*
