Jim aka: Creek Chub, was the best entertainer & front man for the band! Will miss him and his passionate zest for music.

“ *Jim and I shared an office together when he first started at ARC Industries South. He had a crazy way about him that the employees gravitated to and felt happy when they were in his presence. He helped many employees while working at ARC Industries and his talents of creating something out of nothing to allow them to work on a job and receive a paycheck will never be forgotten. I appreciated his time in working with me on the picnic arrangements and our many conversations that led us to many topics and lots of laughter. He was a true friend and i will not forget him. My thoughts and prayers go out to his family.*

“ *I have such sweet memories of Jim: fellowship in our small group; babysitting the girls; enjoying the music and his antics (especially when he dressed up on that tacky tux jacket). Sending the family much love and comforting prayers.*
