“ *Deepest sympathies to Jim's family, Sue and also to his extended Parkway family, who will sincerely miss him. Will personally miss sharing huntin' and fishin' stories with Jim, as I actually hunted around his property long ago in OU days. When we hopefully join him up there one day, just hope he'll be able to show me some fishin' hotspots and share some more stories with us.*

Take comfort knowing he is at peace now...
