“ *Jim was a classmate at Dunbar Township High School. He was one of us that always traveled to the high school class reunions every 5 years (no matter how far away some of us lived). It gave all of us a chance to stay in touch and recall school days. He was a truly nice friend and he will be sadly missed. Carol (Williams) Johnson*

“Jim was much more than my Structural Engineer. Sometimes in the pursuit of your career / work you get to meet and work with people you enjoy. To me that was Jim. Through the years he became a mentor and a good friend. I will miss Jim. My thoughts and prayers are with his family. Brian Addis

“ The Fisher family (Gary, Jody, Christian and JJ) were neighbors with Dave and Teresa for many years, and had the privilege of meeting Jim and Rae as a result. I did not know Mr. Nebraska well, but can tell you he was the consummate family man, always there to support his children and grandchildren throughout the years at school functions, baseball games, etc. The last time I saw Jim was in the spring of 2010 when he came to watch Daulton at a DeSales baseball game. He was in obvious discomfort then, but still managed to make it to the game to support his grandson. All of you are in our prayers and if there is anything we can do let us know.
