“ Cindy and family,
So sorry to hear of Ron's passing. You have our deepest sympathies and our prayers. It's been quite a while since we've seen you when you lived over here in River Landings. I will never forget the time Ron invited me and our daughter Traci to fish in the famous pond. Traci caught a rather sizable fish and thought she could take it home. Ron told her that "we usually put them back in the pond - but for you we'll make an exception" - so sweet of Ron. He was indeed a good and kind man.
God bless you and your family.

“ Sending many prayers to your family. He told many stories and events and he shared that the best day of his life was the day he married and the next days were the birth of his children. Wishing you many wonderful memories to ease your loss.
