“ My condolences to Jim's family. I met him through the Guzzi world and looked forward to some Central Ohio rides. He was sure a nice guy when we talked at a couple rally's. He also told me about taking his daughter off to EMU - my alma mater. Hope you are able to find some peace & blessings during this holiday season.

“ My deepest sympathy to the Sciullo family. Jim and I were fraternity brothers at Westminster. He was a fun-loving guy and I have many fond memories of our times together. More importantly, Jim was a good person and I'm certain that he was a loving husband and father. He will truly be missed. May your family find comfort in the many fond memories that you have of Jim. I can assure you that those of us who became Jim's friends while we were in college will do likewise. Dan Vogler

“ My sincerest condolences on your tragic and sudden loss. I worked with Jim at Verizon. I always enjoyed his sense of humor and outlook on life. We lived very close to you on Bardston Drive and I used to see him driving around the neighborhood in his Mustang. I wish I could be there for the funeral but I now live in St. Louis. Please accept my thoughts and prayers at this difficult time.

“ Tammy and my cousins; Tim, Brian, John, and Chris- I was very sorry to hear that JR had passed away Sunday. I had some GREAT times with you guys at Piedmont & Altmar St. I still remember the times we all watched the "real" wrestling on TV. Somehow our own matches always started. Please know that my family has each of you in thoughts and prayer each day. JR was a devoted brother and loving husband and father. We all will miss him. Take comfort knowing he was greeted by Pea pap and his mom & dad. I am here if you guys need me.
