“ *I was in his very first class out of college in Lawrenceburg. He was an excellent teacher who first noticed I was having trouble seeing the board. He let my mom know; I've been a man with glasses ever since. He taught us many things, I still remember his vivid description of the Hindenburg disaster and the recording he played. Thanks for everything Mr. Stevenson*

“ *So sad to lean of Jimmy's passing. I have many fond memories of Jim & his little cocker spaniel dog and his chalk board drawings. His mom & dad were the best neighbors - so talented and kind to everyone. Jim & I walked to Clinton Elementary school almost every morning that they lived next door on Milton Ave, in Columbus. My deepest sympathy to all of his family. Sincerely, Evie Burkey Swanson*

“ *My heart is broken, especially for Ava. You both mean the world to me. If you need anything Ava, I'm right here!! What a privilege to have my monthly call with you both, I will miss it. The Lord blessed me abundantly with you Jim! Now you go up there and rock the walls off Heaven.... until I see you again, with music and brilliant colors!*

“ *16 years ago we moved next door to Jim and Ava. And out of them 16 years there was never a bad word between us. No one could ever ask for better Neighbors then the Stevensons. The best memory of Jim is everyday we would come outside and he would say hello neighbor except when he was out of town. I think that's going to be the one thing I'll miss most of all is not seeing him and saying hello neighbor! Jim was a man with a kind loving heart if I needed to borrow a tool he always had one to lend me. If I needed to talk, laugh or just someone to listen he was always there for me. I will always remember him as a true friend. Jim you will be missed until that day we meet again in Heaven your friend always Tim and Peggy.*
