“ Jim was my coolest cousin; a regular James Dean. He had the hot car, (Ford I think, just like Robert Mitchum in Thunder Road) with the little dingle berry trim around the headliner. He said he struggled with the trim because his hair oil would wick onto the little berries as he slid onto the driver's seat. I remember him squealing his tires on the gravel road as he drove away from the farm. I was in awe. I don't really recall ever seeing him after that. He went into the Air Force and moved away. He may have attended a reunion or funeral over the years, but I never noticed if he attended. Then again, he was never one to speak up unless he had something to say. It's a "Ziegler thing". Jim was cool.

“ I was so blessed to have so many cousins from the union of Knute and Margaret Olsen and their flowers of the North Dakota prairie. My Auntie "Vi" (Viola-Violets) was one of those flowers. Her warm home and her children are such a wonderful part of my childhood. Jim (he was older but to me he was "Jimmy") had me wide eyed thinking about fast cars and women or was it fast women and cars? Either way, I was blessed to have him as one of my wiser older cousins out on the prairie of North Dakota.

“ Dear Ziegler family,
I know you don't know me, but I had Viola for my 4th grade teacher in Edmore. Just want to pass on my condolences to your family. Harold was in my sister Arlyce's class of 71. I think Rich was in my brother Jim's class of 69.
Take care,

“ Jim's Family
I'm so sorry to here the sad new of Jim's passing, I will always remember his quiet resolve. It has been along time since I've visited with him and last time he was with his father Jake and they were on a drive and visiting different parts of the Lake Region. He was at the Black Tiger Bay, Eastside of Devils Lake he was driving and I happened to past him and I realized it was them, turned around and was able to catch up with them and had a nice talk.
God Bless,
Cousin Larry Schneider DL, ND
