

Jamison Dean Anderson

October 10, 1974 - June 15, 2018

Jamison (Jamie) Dean Anderson, our dear brother, son, and friend, passed away on Friday, June 15, 2018, at the age of 43 years. His kind heart and generous spirit will be missed by his family and friends. Jamie will be lovingly remembered by his father Ray (Rita), and his brothers and sisters Darryle, Linda (Mark), Katie (Steve), Kelly, Rachel (Jeff), Jeff (Christine), Joe, and Ben (Hilary), as well as numerous nieces and nephews, extended family, and friends. He is preceded in death by his mother Darla, and siblings Heidi, David, and Carrie.

Jamie graduated in 1992 from Centennial High School. He served as a missionary for the Church of Jesus Christ of Latter Day Saints in Kirtland Ohio and at the Washington DC LDS temple. He loved the experiences he had serving as a missionary. He was dedicated to working hard at his various jobs and enjoyed the opportunities to learn new skills. Jamie loved riding his bike, watching movies, spending time with family, and exploring the city (and beyond) in his car.

Jamie will be most remembered for his service and his love for others. He always looked out for those in need and tried to serve in the ways that he could. From making fudge to bringing flowers, offering a hand, or spending time with people, Jamie loved to brighten another person's day by his smile and kindness. He was often described as a teddy bear, full of hugs and smiles and friendship to others. Friends may call on Thursday June 21, 2018 from 10:00am to 11:00am at the RUTHERFORD-CORBIN FUNERAL HOME, 515

High Street Worthington, where a funeral service will be held at 11:00am.
Interment will follow at Union Cemetery. Memorial donations in memory of
Jamie may be made to flyinghorsefarms.org.

“*Jamie (James, as I would often call you) you were a loving, kind, generous and very often funny brother. You could make me laugh no matter what emotions I was feeling on any given day. I loved and enjoyed spending the past 20 years getting together each week or every 2 weeks to go have fun and watch new movies that just came to the theatre. We had so many meals together, often we would just sit there in a Wendy's or Red Robin or another place and just eat. We didn't need to say much because we were both hungry. Each others company was often what we needed. I enjoyed laughing at your jokes while we were driving in the car, those are some of my fondest memories of you James. As one of your brothers, I wish your other siblings,relatives could have bonded with you more over the years. It is very sad that you are no longer with us on the earth. I will miss you deeply James and will always remember the joy and laughter and loving support that you brought into my life. I could always depend on you James no matter what, thankyou. I will forever cherish all the moments I was blessed to have with you James. We will all miss you brother. I know with all my heart that you are with Mom and other close relatives in Heaven with Jesus and God. May your gentle spirit rest in peace sweet and awesome brother. You were loved by so many people and had an impact on so many lives. In loving memory of Jamison Dean Anderson, Joseph Anderson Also, on a very personal note: (From the movie(s): Minions and War for Planet of the Apes: "Bad Ape" (aka:Joe) will miss "Donkey" (aka: Jamie or James) very, very much!!!! “ So sad to learn of Jamie's passing. The entire Smith family would often be invited to the Andersons after church and it was an automatic party of 20+. Kindred spirits-there was nearly a Smith for every Anderson and vice versa. The Andersons are some of the kindest people on the planet and Jamie was raised seamlessly this way-serve others with kindness and love. A true missionary at heart, I can't imagine Jamie ever turned down the opportunity to help someone in need. I'm not surprised his kindness took him to the service and hospitality industries. Hard work with a smile and kindness to others were his trademark.

Jamie sure was a treat to grow up with. He was my same age and together in scouts, we both idolized our older brothers. Jamie's older brother Kelly Anderson and my brother Michael Smith were our senior patrol leaders and Jamie was a constant fixture in all things scouting. No matter the task, no matter the weather, Jamie would work his tail off and could be relied upon for anything a fellow scout or his troop needed.

Our prayers are with the wonderful Anderson family. Jamie was cherished and his memory will live eternally. God Bless you, Jamie. Rest in eternal peace.

“ I (Diane) remember vividly the first time I met Jamie. I had visited Darla (his mom) a few days after she'd given birth to him. I remember him on the couch that day, and he was sooo cute. Darla was so proud of her darling new baby boy. We were in the same ward as Jamie then, and now John and I are in his present ward. There was something about Jamie that as he grew up he never lost, love of others, and always a smile--in a way he retained the innocence that he had the first day I met him. His gentleness, kindness, and non-judgemental nature were legend. He did an incredible amount of temple work and service. The last time I saw him in the foyer at church just a few weeks ago, I told him that he was someone I truly admired for his determination and work ethic and that he was inspirational for my own life journey and that I thought the world of him. Yes, he touched many hearts, ours included. Goodbye our dearest Jamie. 'Til we meet again!

“ Wow, what a great guy! Such a tragedy to lose such a wonderful
human being! Jamie and I would talk about our diabetes at work
briefly during shift change and I would give him adulations when he
would tell me how his numbers were improving. I would often
encourage him to keep at it. He would in turn make me laugh and
smile just by being himself. He was always pleasant to be around
despite having multiple jobs. You will truly be missed my friend! Say
hello to heaven! I hope to see you again! Love, your pal always,

“ I Had the pleasure of working with Jamie at McDonald's and he was such a sweet guy, always going out of his way to say Hello to others and telling the ladies how beautiful they are. “ Jamie was my brother-in-law. I didn't know him well, but he was always kind and I enjoyed being around him. I wanted to share something that his mom wrote about him in her personal history:
"Jamie was and has always been one to watch, observe and then act. He was frequently handing me the next item I needed to make bread or other things. Others in the ward also noticed how helpful he was in putting up chairs or whatever needed to be done."

“ Have had the pleasure to be with the wonder-filled Anderson family in Cols. II for many years and with Jamie in the current Worthington Ward. Was happy to see Jamie and to talk with him and to invite him over, he knew he was welcomed even though his work schedule was prohibitive. Also, talking about movies and family and old friends with him was fun. I will sincerely miss seeing him in the foyer and chatting, Anderson family and his old roommate Bro. French: I am sorry for your loss but you know where he is which is having a huge party with the Anderson family and friends in the Spirit World; and no pain. (I wonder what Darla would have cooked for Jamie's party up there?) Jamie will be missed! Am glad for the eternal Gospel plan so that we absolutely will be able to see old friends again.

“ I had the privilege of getting to know Jamie when he moved into our church ward several years ago. He was always upbeat and extending a hand of fellowship, even during times of health or other challenges; always making plans for the future. I was amazed on how often he would to get to church on Sunday– even after working two jobs, including a night shift that ended that morning. I will miss seeing him at Church or at the McDonald's drive thru picking up a late night sundae. Till we meet again, my friend.

“ I remember when I first moved into Columbus. I had relocated for work. I came here first and then my family followed a couple months after. But while I was in this transitional stage, Jamie was instrumental in helping me bridge the gap. I remember he invited me over for dinner the second Sunday I was here. We had baked chili with a layer of Fritos and "what seemed like" 2 inches of cheddar cheese. That was so delicious. It was the first time I had ever had and have been a fan ever since. What was more impacting was our conversation that we had. We talked much about family, both his and mine. We became very good friends from that point on.

We moved away but kept in contact.

Recently, he has worked at the McDonalds off of Sawmill and 270 Highway in Columbus. We would often go down to that location just to see him. He always had a smile a story to tell when we went by. The most recent, which was this past Wednesday, he proposed that we set him up on a blind date and gave us his schedule of availability. We were looking forward to it when we heard the tragic news a couple days later.

I'll always have fond memories of him. He loved to eat. He loved to laugh. He was a movie buff. He was great to be around with and will definitely be missed.

Fly high, bro! Your legacy lives on!

“ *Jamie touched our hearts deeply when we moved into his congregation in Columbus. He attended our daughters 1 year birthday party and would make us homemade fudge. He got my husband to the gym to exercise and was so completely honest, kind, and genuine—a true friend. Alofaia te oe uso 🥹* ”

“ I've known Jamie since he was 4 and have had many wonderful memories with Jamie down through the years. I'll share two that I have of Jamie as his Scoutmaster. Jamie was always the hardest worker and the best fire starter of any scout that I had down through the years. He would build the biggest fires with the tops of the flames extending way above our heights that would keep us warm the entire evening. His smile at this service to the troop was priceless as he came back from hunting for wood with his arms entirely full of logs and sticks he had found.

The second memory was when we were working on our Hiking merit badge and had the major goal of hiking 20 miles. We gathered at Griggs Reservoir and walked almost all the way to downtown and then followed the Olentangy River all the way up to 270. About 10 miles into the hike, Jamie was getting noticeably tired and started moving slower and slower to the point that I thought he'd start going backward for sure! He and I walked together, at the rear of the troop, for the rest of the trip with him determined to complete the 20 mile hike and never losing hope that he could accomplish this goal.

I've always been impressed with Jamie's attitude, smile, and his willingness to help and assist others. He will be sorely missed.

“ From time to time I would see Jamie at church, usually following a night shift. I always enjoyed talking with him. He was always upbeat and willing to give me a complete run down on the family. I always had the feeling how much he cared about his family and appreciated him sharing with me. I will miss seeing him.

My favorite memory is us together running around on the beach together in Santa Cruz, California. Life seemed so sunny, carefree and playful then, and I have a photo of that special day. Also, I have it etched in my mind also. Jamie's phone calls and texts were always welcomed, and will sure miss that contact. He leaves a big hole in my heart. 💕
