“ *JJ...My sincere condolences on the passing of Jane. I recall the day you two met and that we double dated (I think we went to Caroga Lake). She was a great gal and it is too bad that the war got us all separated. I think of the old gang often. Saw Bill & Shirley Childs at the 60th Hi School Reunion. We are having our 65th yhis year in Sept. Stay well JJ and also extend my codolences to all your family. Your Friend, Stosh*
