“ *Hi Tina and Chandi, I voted for you many times on tuesday night. I have a ebrdor collie, also 12, called Molly. I adore this dog, and well, she adores me. She has a special bond with me that she wont share with anyone else, even a special high five jump up move. I love her and watching you and chandi on bgt on tuesday reminds me of my bond with Molly. It literally bought tears to my eyes, and a lump to my throat. Best of luck in the final on saturday!*

“ *Dear Meg, I am deeply saddened to hear about your family's loss. I know that that words are often powerless to help ease the pain felt when you lose someone so dear to you. I pray that you may find comfort during this difficult time. A mother's love is endless --- she will remain in your heart always. Peace always -- Eve*

“ I met Jane 2.5 yrs ago when my mom, Barbara Mickler, moved into Wesley Glen. She was so friendly to both of us as they were 5th floor neighbors. My mom moved to Special Care in Jan 2011, Jane joined her there a few months later. I will never forget her smiling face and friendly greeting (she called me Betty) every time I walked into the living room. She was always so happy to see me. It sounds like she was a wonderful mother and grandmother and will be missed by many.

“ Donna, John and Meg: We regret that we cannot be there to honor Aunt Jane. We have many fond memories of times at Dingman Point, of Lazarus Beef Barbeque and talks around the kitchen table at 1110 Boyd St. Peter has shared many memories of Shady Shore and the train ride to Ohio for Donna's wedding. We will always think about her sense of humor and her impeccable taste. She was always so proud of all of you, which was evident from the stories she shared. Know that although we are not there in person, we will be there in spirit. Fondly, Peter and Amy
