“ *Roger: We happened upon Jane's obituary yesterday and read about her passing. When we last saw you, you mentioned at that time she was in remission. We are so saddened at your loss. We'll always remember what a kind, lovely and elegant woman Jane was. You and your family are in our prayers anew. In HIS love.....*

“ *Tawnya, we are all thinking about you and your family at this difficult time. I never had a chance to meet your mother, but she raised a wonderful daughter and that says so much about a person. You are a strong person, we love you so much.*
