“ I’ve known Jane since 1977 when we worked together in the ER at W.A. Foote Memorial Hospital in Jackson, MI. She was a wonderful nurse, friend, wife and mother. She was so very creative as well! She often mailed me handmade items such as prayer beads, microwave pot holders and an adorable teddy bear! We even took snow skiing lessons together for 6 weeks in 1977! I am traveling to Boyne Mountain on Wednesday to ski for 3 days! I sent a card to Dave but it was returned to me as address unknown. I’ve also made a donation to the hospice who cared for her. We so enjoyed talking on the phone! She was an awesome, caring lady. I miss her!
