

Jane G. Robinson

February 8, 1935 - July 12, 2019

Jane (Grover) Robinson, aged 84, passed away peacefully surrounded by her closest family, on July 12, 2019. She was the wife of Paul Robinson. They enjoyed visiting Port Clinton, sitting on the rocks and watching the waves roll in on Lake Erie.

Jane loved reading her vast collection of books, watching old Hollywood movies, listening to music, and playing with her great-grandkids. She also loved salty foods and fireplaces. She made a lasting impression on all who knew her. With her caring heart and strong spirit, she made many friends with ease.

Jane is survived by husband Paul, daughter Patti (Don), son Hal (Joy), granddaughters Michelle (Diane), Brooke (Ryan) and Layne (Brian), and great-grandchildren Nathan, Jack, Mya and Betty. She was pre-deceased by her beloved father and mother, Harold and Leanna.

In lieu of flowers, please feel free to remember and celebrate her as you choose, or plant a tree in her honor. Respecting her wishes, there will be no services.

May she Rest In Peace, FREE OF PAIN. We will always love you, Jane!

“ *Hal*

I am sorry to hear the news of the passing of your mother. Although I did not know your mom. I am sure she was very wonderful. She brought "you" into this world and molded you into the fine man you are today. My thoughts and prayers are with you and your family.

“ Dear Robinson Family

We are so sad to hear of Jane's passing. My sister, Janie Taylor, got to know Jane while working at Panera. She speaks fondly of her and always looked forward to seeing her. Jane took time to visit with Janie before she started work and they always shared wonderful chats. Janie was very concerned when Jane was not stopping by. Jane would call me or send a note from time to time to let me know that she saw Janie doing a good job at her work and was appreciated. We have been traveling a bit this summer and today was Janie's first day back to work since early July so she was saddened when Paul and Jane's family members stopped at Panera. She truly loved Jane and will miss her greatly. Our family sends its deepest condolences and heartfelt sympathy to all who loved Jane. She will be fondly remembered in our prayers as a wonderful friend to our sister Janie.

Fondly,

Janie Taylor and Lisa Taylor Calderon and the entire Taylor family

“ I had the pleasure of getting to know Jane over the last 15 years. As relationships cultivate and then bloom, we shared in our love of books and off the wall subject matter. She made me laugh with her wry sense of humor and gave me a different perspective to see the world. After my Mother passed in 2012, Jane was there to fill the empty void. Her sensitivity and love were always plentiful. I met Jane through her son, Hal in 2004. He displayed a tenderness towards her and they had a special Mother/son bond. She so loved him and her daughter, Patti. Jane shared stories about her great grandkids and delighted in getting them gifts and sharing in their play. She loved her family and so it was always enjoyable to get together with them. Jane was always there is you needed a friend or to just talk. I always admires how quickly she made friends. She sincerely loved getting to know others. I cherish the times spent with Jane. Getting to know her and Paul has been a pleasure. Jane and Paul will always be like family. Certain people come into our lives and touch us deeply. Jane was one of those people and I will miss her.
