“ *Ben and Jane Shaffer were one of my favorite 'Aunt's & Uncle's' even though we were only second or third cousins. I sincerely wish I had stayed in better touch with Ben and Jane after the passing of my own parents. We always looked forward to Jane's Xmas cards and the not often enough visits. I admire how Jane endured so much pain from her Arthritis and never complained. There is a special place in Heaven for this lady beside her husband Ben.*

Part of Jane's legacy is her wonderful family. You all made her very proud and it was obvious to everyone who knew her. You are in our thoughts and prayers.
