“ Janet and I were friends for almost 20 years. I am a snowbird from Ohio. I met Janet at aerobics class here in Destin and am shocked to hear this news. Please accept my sympathies and know she was loved and respected. Go Buckeyes.

“ My deepest sympathy to Janet's family. Since she was younger than I am, I remember her best as being Aunt Julia's helper at our grandparents' home on Westwood Avenue. Last time I saw her was at Carl's funeral and she was the same smiling, fast talking, out going woman. I pray the "God of all comfort" will be your comfort in the coming days.
