“ Janet was such a wonderful friend. We have known each other for many years and shared lots of grandchildren stories . We lost touch in later years but I thought of her often. I am so sorry for your loss Lori, Jennifer and Michael. I loved your Mom , she was one of the best friends I have ever had.

“ When someone we love die it is a very sad time. It is especially sad when we've had them for such a long time in our lives. The Bible has records of men and women who lived very long lives such as Noah, Abraham, and many others.- Genesis 9:29;Genesis 25:7 This is proof that we were created to live forever. Soon millions will live again by means of the resurrection hope found at Acts 24:15. In paradise on earth the Bible teaches "death will be no more."-Revelation 21:4
