“ Denny and family: I am sending my deepest sympathy to you all at this very difficult time. You will all have many many memories to share with each other. She was a special cousin, even though I didn't get to see her as much as I would have like to as distance played a big part. Our last times in Grinnell with her were memories that I will never forget. Just wished that I would have been home from my winter away to attend the funeral with my sisters. God Bless you all.
