“ Our heart-felt sympathies are with the family at this difficult time. Janet was a great friend and a successful business owner. We were all better people from having known Janet. She made all North High Polar Bears proud.

“ Marty & Todd, even though I haven't seen all of you for some time I still remember the good times with you at the track or shooting pool right up from your house. Janet was always fun to be around and I'm sure her absence will never be filled. I just wanted to let you know I'm wishing you all the best and comfort during this most difficult time.

I was deeply saddened to her the news of your mom. She was such a sweet person! I enjoyed our times of hanging out at many race tracks. May you find comfort in all the warm memories! With deepest sympathy!
