“ Jim,

Although it's been years, I still remember speaking with Jan at one of the holiday functions she attended with the Guard. She always had a smile, especially when she spoke about you and your family. May you always remember the good times spent together, and keep those memories forever. It's when times are the roughest our faith allows us to pull through and know there will be brighter days ahead.

Our prayers are with you,

Joe and Sue Peschel

“ *Janice was always such a joy to see in the suite. I loved visiting with the both of you on her infusion days. I remember her first visit when she was just sure she wasn't going to like it at all when she found out that we had both been burn nurses in the past and we shared a connection. She touched my heart in so many ways. I was so sad to hear of her passing and immediately my thoughts went to you James. I know this is devastating. But it was so obvious to even us outsiders how true your love for one another was. That is once in a lifetime. You are the lucky ones. I pray you find some peace in this time of great sorrow. We will miss you both. -Beth RN*

Jim, I did not know Jan, except from your stories at work, I loved hearing how the two of you met and your life together thru your special brand of humor. My prayers are with you and your family. I pray that you can draw strength from your faith. I am praying for you and your children that you can find peace and comfort thru our Lord and Saviour Jesus the Christ
