“ *My mother and I deeply cared for both Mr. and Mrs. Talat-Kielpsz. She was kind enough to share her wisdom, humor and guidance with us during her career with the OSU Libraries, specifically the Math Library. She was a woman who had endured much hardship in her life, yet was still able to see the positive on a daily basis and would share that freely. She had a wonderful sense of humor and she was always able to keep issues in the proper perspective. I was fortunate to spend many lunch hours with both my mother and Mrs. Talat as a child and then as a young working adult. They were wonderful times of reprieve from the day's challenges. We would sit in a back storage room, with our sandwiches, and coffee and sometimes special treats that Mrs. Talat would bring in. Mrs. Talat was a dear and caring woman, who was a true professional in her field. I and my mother benefited greatly from having her in our lives. She will be deeply missed, but always held tightly in my heart. Blessings to all, Sarah Terry*

“ *My condolences to the family. I was a graduate student at OSU and appreciated Ms. Talat's presence and help in the library for several years.*
