“ Bruce, I fondly remember Jan on several occasions including in your living room looking at us and not saying anything, but we could tell that she thought some of our "projects" were way out in space somewhere. She would just kind of smile and let us go on and on. I'm truly sorry for your loss and I'll call you when I return to Columbus later this month. Regards, Mike Peppe

I knew Jan when I was a child. I would go to her house and sit and swing with her on her porch. I was thinking of her today and did a search on her and came across her obituary. She was a very kind lady.
