“ To the little Baby-Man who loved riding with his daddy in the Corvette, no matter where it was going, the little guy who bowled, socialized and danced with his mommy all evening during Corvette Christmas parties, this little jitterbug-Abba loving man, who brought love and laughter to flea markets and bogeyed away in the wee morning hours with his mommy; this little guy who loved being his brothers Best Man, and his nieces Uncle, to this precious little soul who chose his mommy and daddy, knowing they would give him the most perfect life; light a candle and say a prayer for you, little Baby-Man.... May your joy and light live on throughout eternity. Love you, Aunt Billie.
