“ Jeri, I happened upon the sad news about your brother this morning, and it was the first I learned about your mother's passing as well. Even after so many years it has left me shaken. I remember Jason playing games with my son at one of the parties—still have some pictures of him. I think it was the one where your dad showed up. And your mother was always very kind to me, which couldn't have been easy sometimes. I hope it is not inappropriate for me to offer you and your father my condolences.

“ I was honored to serve with Jason on board USS Enterprise. I just heard about this today and am in shock. It is a shame we lose touch with such good people like Jason only to be reacquainted like this. He always had a smile on his face and was good hearted. My deepest condolences to Jason's family. I am truly sorry for your loss.
