“ Cindy, so sorry for loss of Jason. What a shock to find out from you tonite. HD we known we would've been there for you. Jason was another one of our" sons"too. All those years as neighbors and the boys growing up together, me babysitting Chris and him , it just seems so hard to believe. If we can help you in any way, please let us know. I will tell the boys,. Again, so sorry.

“ Our heart felt sympathy goes out to Jason's family and friends. We have known Jason since the marriage between our daughter, Deanna and Jason. They blessed our family with two beautiful grandsons, Travis and Duston. Jason was a very quite person but Deanna could get him to laugh with her witty personality. He loved coming to our house for dinner. He had a hefty appetite and enjoyed my cooking. He loved old cars and we would sometimes go to watch them they passed by during the once a year event put on by the "Good Guys". His youngest son Duston love them also. It difficult for Jason to show his emotions but his love was a slient type. He showed his devotion to his children by never missing a football game on Friday night when we all went to watch Travis play on Friday nights and Duston to play on Sundays. He will be missed by his family and friends since God has called him home. He is at peace now with the Lord. We will continue to pray for his family during this very difficult time. God bless Jason and those he loved. In loving memory, Pete and Linda
