

Jason Tyler Wiant

April 4, 1976 - July 26, 2024

Jason Tyler Wiant (J.T.), 48, of Lewis Center, Ohio, passed away on July 26, 2024 peacefully surrounded by his loving family.

J.T. was born on April 4, 1976, to Keith and Ann (Throckmorton) Wiant in Troy, Ohio. After J.T. graduated from Troy High School in 1994, he went on to earn a bachelor's degree in communications at Bowling Green State University where he was member of Kappa Sigma fraternity, graduating in 1998.

J.T. had a special love for tennis, a sport where he excelled. As a 4-year varsity letterman at Troy HS, J.T. compiled numerous singles and doubles league titles and attended the Nick Bollettieri Tennis Academy Camp.

After graduating college, he worked in staffing account management at his mother's company, Midwest Nursing which started him in his professional journey in healthcare. J.T. most recently was a PCA at Ohio State University's Wexner Center in the brain and spinal care center where he cared for patients with a very high level of passion and empathy.

J.T. was lauded by many as the "funniest person that they ever met". His clever wit and timing of jokes and funny comments always lit up a room. He was adored by many friends and co-workers who valued his friendship, guidance, compassion for his work and fierce loyalty. In short, J.T. certainly

marched to the beat of his own drum. He was a lover of animals and the earth and had a special love for music, especially the band Moe. Who he followed by attending multiple shows during their concert tours. J.T. also had a special and cherished relationship with his nieces and nephews who he loved to spend time with and spoil.

J.T. was predeceased by his faithful companion and loved dog Niko, grandparents, Lowellwood (Woody) Wiant and Beulah (McDonald) Wiant, Mary Jane (Corwin) Throckmorton and Francis Throckmorton along with his nephew, Collin Wiant all of whom he will be re-united with in Heaven. He is survived by his mother and father, Keith and Ann; brother, Wade and his wife Kathleen (Fallon); his sister, Liz Kaufmann and her husband, Anton; his nephews, Austin Wiant and wife Paige (Regrut), Aidan Wiant and A.J. Kaufmann; his nieces, Olivia (Wiant) Rice and her husband Cody, Ava Wiant, and Kristen Kaufmann.

“ I was shocked and saddened when I heard Jason was in hospice.

I'll always remember how kind and caring he was to my Mom when she was at Country Club Rehab. He went above and beyond in his care for her. He always brightened her day and made her laugh. They formed a close bond and he thought of her as his grandmother. He said she filled a void in him because he lost his grandparents at a young age.

My heart goes out to his family. Jason will be missed.

“ The very first time I meant Jason, I was starting my first couple days at the nursing home, and he would get to train me on the “loop” hall, the skilled side, he walked up to me and told me he hoped I brought my running shoes, to his surprise I wore a pair of Nikes that had “running shoes” on the side.

LOL

From that day forward we would become the best of friends, I was in the middle of nursing school, and the therapy team referred to us as the “dream team” a couple years would pass and then I became the nurse of this hallway, and there was Jason supporting me every step of the way!

Through the years we were there for one another through the good and the tough times, one thing I choose to remember about J.T. Is his humor and one liner jokes, but most importantly is heart, he had a passion for helping others, and all the residents loved him very much!

I will miss you Jason, but I will always remember how you taught me to be passionate in the career field we both chose!

Another favorite memory I have is volunteering together at the collin classic every year, since the passing of his nephew Collin, Jason loved his family so very much, and I was honored to help in raising awareness for a great cause!

To the family I am praying for you all and thank you for sharing Jason with me, one thing about healthcare is you become like family, ❤️

*Jason was such a wonderful person and caretaker to the folks at Delaware Country Club!
My mother was there for the last couple of years of her life and her and Hason became very close!
I went up almost daily to see Mom and anytime Jason was on duty, I was comfortable that Mon was in good hands!
She often referred to Jason as her youngest son, as she had 5 boys me actually being the youngest!
I was heartbroken when Stephanie shared the news that Jason was ill and hospice was being summoned.
My family was on vacation at the time and Jason passed prior me having the chance to see him.
My heart goes out to his family as I know he will be missed dearly.
Prayers to everyone that knew this special man as his love and compassion was evident when you met him.*
