“ *Megan and Rachael I'm so sorry about your mom. She is a wonderful person and I know how much she loved you both. She hasn't left you just changed her address for awhile. Make sure you take care of each other. You know that is what she would have wanted. Judy you have a wonderful daughter. She was beautiful inside and out and you will see her again. God will help you through this time and she will always be with you. It is a privilege to know your mom and daughter. And she will never be far from your heart and mind. God bless you all. I will be praying for you.*

“ Rachel, I am so sorry for your loss, you and Megan are way too young to be losing your mom. I am sitting hurting for you since I know how bad you all are hurting. My prayers are with you and Megan and all the babies.

“ Megan and Rachel, I am so very sorry for your loss. Your mother was a very kind hearted woman. I have so many wonderful memories of spending summers at your house. Your mom was always so gracious about having a house (or swimming pool) full of us girls! Her love for you both was very evident. Please know you both are in my thoughts and prayers.
