“ *Aunt Jean was a one of a kind Aunt. I loved her visits and to hear about her kids and grandkids and great grands. Her students when she was working and even after retiring sounded like family. Talking on the phone when she didn't travel any longer was the same. She loved her family and friends. She loved well and was well loved! She will be greatly missed!*

“ *Aunt Jean was an amazing woman!! Her unselfish love of family and friends always shined bright wherever she was. We stayed in touch since my mom passed and listening to her go on about her kids, grandkids and Denisa was really a special kind of love. Her sister Shirley (my mom), were so close and very much alike. Aunt Jean would come and visit her here in Az and they would have so much fun and we all loved her time here. It always brought joy to our hearts watching them together. They are now together again.*

“ *Jeanne was a loving and giving member of our Koinonia Church family for many years. Her faith was so important and very special to her as exhibited by how she lived her life. She was a true friend who always had a shoulder to lean on and was a pillar of strength for us throughout the years. Jeanne loved to laugh! Aside from her church family, her biological family and in-laws were dear to her heart. Those children and grandchildren were adored by her! If Jeanne was your friend, you had a friend for life. She loved her "girls" from the cafeteria and her Julie, who did her hair for over 30 years. We are truly blessed to have had Jeanne as part of our lives for nearly 50 years. We will love and miss her forever and always save a part of our hearts for our gal! She is up there getting big hugs from those she loved who left her earthly life way too soon...*

“ Here’s a link to the Alzheimer’s Association Columbus Chapter as mentioned by Denisa in the obituary: <https://www.alz.org/centralohio?set=1>.

*My Grandma Cellar has been one of my favorite people throughout my lifetime. I’ll never forget all the fun memories I had with her. It wouldn’t matter how much Jennifer and I would fight as kids, when it was time to hang out with grandma we usually behaved well. Despite getting older and realizing that my beliefs were different from hers, and eventually moving away once I joined the Navy, her love for me never wavered. I don’t know that I’ve ever felt a more genuine love than hers. I’ll forever miss you, Grandma. Always your love bug.*

*Sweet!! Very Nice!! She was a love!! We may think differently, but we dont have to be indifferent. As we all grow over time, the world develops and changes take place and she loved and let live. A strong and gentle woman raising two young children and a single working mom rising to a manager position, never missing a beat of care for family, friends. We will cherish memories and strive to be as genuine a spirit as Jean. Hugs to you.*

“ Every memory of my “Aunt” Jean included her and my mom, Hazel, laughing and being hilarious together. No one made my mom laugh like her best friend, Jean! I love her for making my mom laugh even in the toughest times. I adored her. My whole family adored her. My deepest sympathy to all of her family. Thank you all for sharing her with us Snyders. “ Jean was one of the finest human beings I have ever met and the best mother-in-law a girl could ever dream of. She loved fiercely and we are all better for having known her. She will be deeply missed.
