“ Bob and family, I was deeply saddened to hear of Jean's death. She was so dear to me, and played such an important part in my life as a wife and mother. There are so many times that I would think to myself, "What would Jean have to say about this?" She was a tremendous influence on me and my family, as well as countless others, and I know she was your beloved wife and mother of your boys. Please accept my sincerest sympathy and love at this sad time.
