“ *I became acquainted with Jean and her husband Austin twenty years ago during my employment at Main Bookshop in Sarasota, Fl. Her gentleness was superceded only by her grace. Rest in Peace.*

“ *My thoughts are with you ... those who loved her best. Warm summer sun, shine kindly here; Warm southern wind, blow softly here; Green sod above, lie light, lie light; Good night, dear heart, good night, good night. Mark Twain*

“ *I remember how pleased I was when the teacher seated me next to Jeanie in what proved to be a vain attempt to quiet a rambunctious fourth grade lad at Sharon school many years ago. Decades later via a unique irony when she moved into a home next to my sister in Worthington I would be fortunate enough to renew our friendship which would remain until her untimely passing. Farewell, Jeannie... you have left us far to soon. Pete I was very fortunate to have Jeannie as my neighbor; we had many good times. She was a great friend and will be sorely missed. Les*

“ I remember Jeannie as a very nice, quiet classmate (at least to me) who was involved in many school activities. In retrospect, she was someone whom I should have emulated. I wish I had asked her to sign my WHS 60 Yearbook. She is gone too soon.

“ My husband Gary and I are so saddened to hear of Jean's passing. We first met Jean when we purchased The Village Bookshop from her husband Austin. She was such a bundle of energy and so much fun to be around. She was always so kind to our family and although we haven't kept in close contact just the thought of her not being in this world is felt by us. Rest in peace dear friend. “ We're so sad to hear of Jeans passing. We didn't know her for very long, but we always enjoyed her as a friend and neighbor. She always had the biggest heart for the animals in the neighborhood. We hope & pray she has peace in heaven. Our sincere condolences to her family, Joy & Bruce Rice
