Jean and I worked together at the Dublin Branch Library from 1984-1989. She was a wonderful leader and mentor and I learned so much from her. She was a great lady!

To all the Walker family and friends, Please know Meredith and I are thinking of you and sending our thoughts and prayers. I was blessed to have many strong, guiding women in my early years and Jean was one of those special people. Who knew a job @ the library in high school would lead to such lifelong friendships? I am truly blessed to have shared her, as well as the wonderful relationships our parents had.
