“ I recall how much my my mother-in-law, Ginny Packard, loved her sister Jean. Now Jean is having such a good time with her many family members. I can almost hear the laughter as they come together again.

“ Jean and I had a 58 yr. close relationship. Although she was my Mother-in-law, I considered her my second mom. She was a wonderful grandmother to Jerry's and my 3 sons. They adored her and always made time to stay in touch or go see her when she needed to stay at home. She so enjoyed being with family. We celebrated our July birthdays together, as they were only a day apart. She kept active, both mentally & physically. Her doctor needed to insist that she quit bowling in her 80's! She was an avid bridge player. She worked crossword puzzles daily. She read many books. At our last visit, we were again reminded as to the sharpness of her memory. I dearly loved her and will miss her so much!
