“ *Karen Kidd and Janette Guza attended the funeral for our friend, Jeanette Sullivan today. I just wanted to tell you, I thought the service was beautiful. My sympathy is with your entire family. Janette and I worked with Jeanette at Landshire Sandwiches and she was a very sweet and kind person to work with. My prayers are with you and just continue to share the love of your family which I know your Mom and Dad instilled in all of you. I know she is visiting with family that passed before her and is pleased to see them again and sad to leave all of her earthly family, but will be there to welcome you with her smile when it is time. I lost my Dad and Mom but they remain in my thoughts every day, as I am sure your parents and family will. You are all in my thoughts and prayers. With love, Karen Kidd*
