“ *Debbie, I have fond memories of you and your family... and remember times you and your family joined neighborhood picnics we had in our youth. As a child I was always afraid your dad was at the picnics to give all the kids shots. Once as a child, my mother took me to your home on a Saturday to get stitches in my leg and your mother did so much to comfort me. My prayers are with you at this time of sorrow.*

“ *Debbie: I am so saddened to learn of your Mother's passing. As you probably remember, I often saw her for Guild meetings and occasional lunches. There is never a right time to lose a parent, no matter their age, state of health, etc. It is a significant loss and please know you and the family are in my prayers.*
