“ We ask that god to be with my mother to cope with the hard times that she is going through. Jeff was a very kind loving man, and all of us will miss him so so much. He helped my mom and me my sister so much. He paid for everything for us. Please pray for all of us. Most importantly my mom.

“ Would like to thank everyone for sending their best wishes, cards, and flowers to Debby and her family, during this difficult time. While the flowers may die, their love for each other never will.

“ To the Family of Jeffrey Batton, I am very sorry to read of the passing of your dear loved-one. Life is such a precious gift and yet so short-lived for the time we exist. God holds out a wonderful hope for all those in the grave. At John 11:25 Jesus said "I am the ressurection and the life, he that exercises faith in me, even thought he dies, will come to life." What a blessed reason to hope in GOD!

“ My precious Jeff, you will be so dearly missed. You had such a big heart. Even though my heart is breaking, I know you're in a better place. I'm sorry we didn't get the chance to get married, but I will see you soon one day my love. Rest In Peace. Oh how I loved you. And my love for you will forever last.

“ Jeff was more to a father to me than my real father could have ever been. I have never met my father and Jeff was the one there to fill that one manly figure in my life that I never had the chance to experience as a child. I know everything he did for me, was out of love for me but, mainly, for my mother. She was the love of his life and he was the love of her life, and I hate to see her be in so much pain now. I want to thank him for everything he has done for me and my mom. Thank him for the prom dress he bought me that he, sadly, never got the chance to see. Thank him for filling my mother's heart with love and making her happy. They were together for 8 long and happy years and whether or not people wanted to believe it or not, they were in love. I hope one day my love for someone could be like their love they had for each other. I hope to see you one day soon Jeff, I will miss you so much and I'm going to try to be strong for mom. I love you, I'm so glad you're in a better place. Love, Your Step-Daughter, Hector :)

“ To the family....He will be missed so much. Even though I havent seen him since you all lost Jane, the conversation that he and I had that day has never left me. We shared a lot. I never stopped thinking of him or the memories that my family and I were able to share with him and with all of you. Jeff, buddy...If I ever get to see Steely Dan again, it won't be the same. One of my favorite memories of you is standing in that downpour at Polaris, enjoying that concert like it was bright and sunny, with our garbage bag ponchos. That and, of course, the wonderful birthdate that we share. I love you brother and I will never forget you. Betsie
