“ Jeff was the best kind of friend you could have; tough love when you needed a kick in the pants, kindness when you were in pain and fiercely loyal. His laughter was infectious even if his jokes were terrible. He loved and was loved and will be missed. God bless his family and all he touched.

“ My only true friend, although I hadn't seen him in a while. He always pushed me to do my best, encourage me, made me laugh. I still have the greatest memories of when he was my manager at CompUSA in the warehouse. I still believe this time was the best time of my life, mostly due to Jeff. Love you and will miss you brother.
