“ Sheila and Scott - Mom (Betty Fritter) and I are sorry for the world's loss of Jeff. I apologize but I was only made aware of it yesterday - Jackie Gayness of your church called - she is extended family to me and I never knew you attended the same church. In Mom's confused days now she knew Jeff had passed but was unable to tell me his name at that time so I do apologize for missing the calling hours or I would have attended. Jeff and I shared many conversations about family in the middle of the street or alley at Orchard Drive - I will miss those conversations. God be with you both in this dark time for you and may the light of his memory shine in days to come. Paula (Fritter) Gayness Betty Fritter

“ *Shiela and Scott, I worked with Jeff for a number of years at Compuware during the bank conversion days. I remember Jeff as a fun loving guy and a devoted father. If it's possible, heaven just got a little better. Paul*

“ *Sheila and Scott, We are saddened to hear that Jeff has left us. Jeff was wonderful, funny, kind and loving and he will be greatly missed. He loved his family and fishing and has probably found the best fishing hole up in heaven. He was a wonderful friend. Our thoughts and prayers are with you. Dan and Lisa Bower*
