“ Oh Jen!! I just heard of your passing. Funny how life gets in the way of keeping in touch with longtime friends. We met when I moved to Upper Arlington for a yr and became instant friends. We had a share of troubles together, but we had the best of times as well. I will never forget your smile and your laugh how it could light up the darkest days. Rest easy my friend until we meet again.. Forever in my heart

“ I met Jennifer back in the late 80's. She had that bright personality and pretty smile. I'm very fortunate and thankful to have met her. She is a special someone who will be missed.

“ *Jennifer could make me laugh anytime we talked. She was an honest friend that will be deeply missed. I love this picture, it shows how pretty she was outside and that is how she was inside*

“ *Jennifer was my best friend when I moved to Upper Arlington when I was 12. We went through a lot together. Watched each other have children. Watched each other love through heart aches. We loved each other and we fought with each other like sisters. I will always love her and I will miss her dearly. I wish our times of not speaking to each other didn't last as long as they did. We are both stubborn. Love you Jen. I will miss you but I am happy that you are reunited with Christina.*
