“ *I sat next to Jenny in 6th Grade at Como El. We were the best of friends and spent many "slumber" parties together! She was smart and just a great friend! She said she'd like me to be her sister one time. What a compliment! Wish I'd known she was so near. Heart felt condolences. God richly bless her family! Melanie (Smith) Bast*

The journey doesn't end here. It is just part of the path we must all take. Hug your friends and loved ones, you never know if the next time will be the last time.
