“ *Dear Bernice and family,
We are deeply saddened to hear of Jerry's passing. He was the first person that I had met in the model t hobby, and it was through his enthusiasm that we became a part of the larger model t community. I have many fond memories from our times on tour, at the old car festival, and the annual Hershey trip. His smile and laugh could light up any room. Jerry was a wonderful man and he will be missed greatly. Your family is in our thoughts and prayers.
Your friend,

“ *Dear Bernice and the entire family,
Jerry was a good friend and we will certainly miss his quick wit and fun loving spirit.
We will cherish the fun times we shared with Jerry since becoming part of the Model T hobby. Jerry was a great ambassador for our hobby. He was the first person we met after becoming part of the hobby. He made us feel most welcome and his friendship never wavered. There is an emptiness in our soul that Jerry filled. We will never forget ou friend, Jerry.
May God comfort you during this incredibly difficult time.
In Christian Love,
Brent & Nancy Mize*

“ *Bernice and family,

We are saddened to hear of Jerry's passing, but will remember all the the good times we shared in our Model T's. I am sure that Bill Coulman (The Gentle Dentist) is delighted to be reunited with Jerry in heaven and again joke around, as they were very good Model T friends.
