“ *God Bless/RIP, to ALL who served in WWII. The USA would NOT be as it is today. "Fair winds and following seas". Thank YOU for your service, also in Korea, Jerry..... And Semper Fi.*

“ I lived across the street from Mr. Ford (and Dorothy) for many years. We often chatted when we saw each other outside getting the mail or working in the yard. They always made it a point to say hello to my kids, Ray, Tim, and Melissa when they were playing outside in the yard or street. I'll never forget when Jerry and Dorothy ran to get their camera to take a picture of my daughter, Melissa, riding her bike for the first time without training wheels. They were as proud of her as her mom and dad. Jerry always had a kind word and a pleasant smile. I also remember his "Muirfield" license plate that I believe all of the neighbors craved for their cars but couldn't have:). I often admired how physically active he was for his age and he had a long and full life (we can all only hoped to be so blessed). I will always think of Mr Ford when I see the "green and gold" on television.

“ I had the privilege of visiting with Jerry as a Hospice volunteer. What a kind and interesting gentleman. He loved his Lord and family, followed closely by the Packers. I will miss him greatly and wish you comfort in your memories.
