“ Wanda & Family We are so sorry for your loss. There is no words to ever say how sorry we are for the loss of a great guy like Jerry. There will never be any words that will take away the pain and sadness and there is nothing that will ever make you forget but time will start to heal and you will be able to go on. Just lean on family and friends and most of all lean on Jehovah God and you will make it through. Love to you all The Bartlett's
