“ My memories of Jerry range from our family visits to Rochelle when we were both kids to the annual family reunions in Salem. There were also the Fry boat outing on Kentucky Lake, their visit with us while we were in Arizona, and especially the cousins' trip to Branson where we shared lots of giggles. We always had good times when we were together and those are the memories I will treasure when my cousin Jerry comes to mind.
I wish Donna and their family the blessing of many happy memories as they struggle through these difficult days and pray for divine Comfort and Peace from our Lord.
