“ *My husband was a kind and gentle man who loved everyone. He especially embraced my family as his own and he embraced friendship. He loved the Printing Business, teaching others how to be a printer and he loved his days as a volunteer fireman with Sharon Township. He was a Worthington man and loved the town, knew the History of Worthington and loved to tell others.*

I do and I will love and miss him always..

“ I am saddened by Jerry’s death and extend my condolences to Georganna and the rest of his family. I continue to be grateful for having known Jerry as a Worthington neighbor, classmate and teammate, and happily remember him well from junior high and high school. Jerry was a better and more experienced football player than I ever became and, as a recollect, skillfully performed the essential work as our team’s center during our 1955 season when we achieved a 4-3-2 record. Jerry’s public service to the Worthington community nicely complemented his many achievements at Worthington High School. Karen and I very much enjoyed conversations with Jerry and Georganna at our 50th and 55th Worthington HS class reunions and at several related gatherings. Attached is one of my photos of Jerry. *Jerry was easy to get to know! He was very intelligent, happy and loved deeply.
Jerry was always ready to drive and give you a tour of C Bus or Worthington, wherever we were.
I first met Jerry at Lori Bouchers wedding reception. He was alone, so he and Georganna had first danced together. Later, I had the pleasure of dancing with him too.
From then on, we were friends
Special friends
I never saw him angry, he was easy going but he knew so much about everything.
He will forever be missed.
I send my heart felt sympathies to his Families and am thankful he is at peace.

“ *Georgeanna, Randy, So sorry for the passing of Jerry! As you know he was a special person and was all way willing to help anyone. I first met Jerry at a open house at Sharon Twp. Fire Dept., I was 10 years old but Jerry took the time to show me around. Many years later I became a Fire Fighter and a sales person for his T- shirt printing company. RIH King*

“ Family of Jerry Wellman: I was a member of Jerry's class at Worthington High School and his teammate on the football team. I have in my closet a couple "Cardinals 56" t-shirts that he generously shared with us at our class reunions. When we gathered for class reunions, I remember marveling at Jerry's detailed memories of earlier days in Worthington. His mind seemed to be encyclopedic in recalling stories and details of past days. I extend my sympathy to Jerry's family in these difficult days.

“ Wellman Family, sorry to hear of Jerry's passing. He was a kind and helpful man to me many years ago. I was a fulltime firefighter/medic at Sharon Twp. FD. Jerry volunteered his time to serve with us. You have to love serving and love your community to be a volunteer firefighter. Jerry did that! In our prayers, Larry Flowers, Canal Winchester.
