

Jill M. Michels

March 15, 1973 - February 20, 2020

I loved my life. Unfortunately, due an aggressive and rare breast cancer it was ended much sooner than I ever thought. I was born March 15, 1973 and raised by my parents David and Janet Watson in Kettering, OH. Though I was raised in Kettering, the last 28 years Columbus, and 15 of those 28 years, Dublin, OH has been home. I was preceded in death by my brother, Kevin Watson. I'm survived by my parents, my wonderful husband Dave, our four amazing children Mackenzie, Megan, Mason and Maxwell, my brother Gary, sister-in-law Virginia, their children Kaci and Noah. I loved my work before I retired to stay home with my children. I was a surgical technician for 10 years then a registered nurse focused on orthopedics. The fact I could help make a profound difference in the quality of people's lives was why I did it. As a surgical nurse at Riverside Hospital, I met, then went to work for Dr. Joseph Mileti who was not only a great boss but also a friend who values family as much as I did. He also valued my work and our friendship, and I always appreciated his generosity and the flexibility he afforded to me to spend more time with my family. I think I may have lived the way that I did because, deep down, I felt that I was not going to be here as long as I hoped. I felt I had to do more in a shorter time. I think that's why I worked hard at everything. I loved doing things for people. I loved my family and my friends. I was no nonsense and fiercely loyal, but as those that knew me well could attest, I could certainly cut loose and have fun. I loved entertaining and being with people that I was close to. I took pride in doing things so those around me enjoyed themselves.

I loved being a mom and being a wife. I found true joy in being with my family and doing things with and for them. I wanted to sincerely thank Dave's partners at Leading EDJE. They were so supportive and understanding in his needs to spend so much time as my partner on this journey. I cannot summon the words to adequately thank all of our amazing friends, family, and Dublin community that supported my family and I on this often-difficult journey. I want to thank Dr Daniel Stover and his team at OSU's Stephanie Spielman center for the exceptional care and support they provided me as I battled this disease. Also, I'd like to thank the wonderful staff at the Ohio Health Kobacker House who cared for me on the final portion of my life's journey. Even though I may not be here, please think of me when you smell fresh cut grass, see perfectly manicured landscaping, a great charcuterie board, attend that well-coordinated and decorated event, or great Halloween gathering. In lieu of flowers, I ask that donations please be made to the Daniel Stover Fund for Triple Negative Breast Cancer Research. This is research is dedicated to the rare cancer that so prematurely took me from this world. Donations can be made at www.giveto.osu.edu/makeagift site. Under the "Search" tab enter fund number: 316758, Select "Stover Lab Research Fund". Visitation will be held on Thursday, February, 27th, from 3-5pm and 6-8pm at RUTHERFORD FUNERAL HOME AT POWELL, 450 W. Olentangy St., Powell, OH, 43065. A Funeral service will be held on Friday February, 28th at 11:00am at St. Brigid of Kildare Catholic Church. Condolences to the family can be sent to www.rutherfordfuneralhome.com

“ *I'm so sad to hear of Jill's very untimely passing. Our daughter Carleigh played soccer with Megan and McKenzie and I always thought of Jill as such a nice person and Dave was a great coach for the girls. Those were fun days! I know nothing I say will take away your pain, but maybe it helps to know just how many people loved Jill and the positive impact she had on so many. God bless your family.* ”

“ Jill was a force. I always admired how put together, in charge and organized she was whenever I came to visit and help with the kids when they were first born. I haven't been as much a part of things in the past decade, but I appreciated the time we were able to spend together. I loved some of the trips we took for weddings, hanging out in Cleveland at a random hotel after Valerie moved up that way, weekend mornings helping to feed the triplets so Dave and CT could go play soccer, and later the birthday parties and social gatherings for friends and families. I remember laughing with Jill after she found out she was pregnant with Max and her being shocked and wondering how it happened. I remember telling her, "I know you are a nurse and should know these things, but I can tell you how you got pregnant if you need me to remind you..." I was only really a part of Jill's (and Dave's life) for almost 8 years, but I have nothing but great memories from that time. It meant the world to me that Jill has kept me as a FB friend and has let me still catch glimpses of how well the kids have grown and are on their way to becoming such fine young adults. Jill's legacy and spirit will continue to grow and thrive within her family, this I know. And her memory will continue within me as well for the wonderful friend, mother, sister, daughter, and wife that I know she is. So sorry I cannot be there to tell Jill's family in person. Unfortunately, I will be out of town and unable to attend the service in her memory.
