“ As a young person, stranded on 315, tire blown, 2AM...standing in rain...Jim was the person to wake from slumber (after I called) and picked me up in his truck with a big smile. He was my Dad away from home during my college (and after) years and I was always grateful for his immeasurable love and kindness. Saddened to hear of his passing but eternally grateful to have known him. My deepest sympathy to his loving wife. Rachel (Hamady) Kerns
